Mobility starts in the head. Mobile communication is nowadays a natural part of our private and job-related life. We look to be the first in innovative products and services so our customers don't stand still.

We develop the mobile network and realize the design of the network construction regionally.

Today's mobile handset business is technology and innovation driven. Our customers need the perfect handset solution in their daily life. To achieve this goal T-Mobile's Terminal Management seeks to secure its position as technology leader in the global terminal business and reach the highest customer satisfaction. Positioned within the T-Mobile International Marketing Department our team is responsible for the selection process of the terminal portfolio, terminal roadmap development and terminal reporting/analysis.

Are you ready to be successful with us?

#### Your tasks

- Support of terminal selection process and business development projects
- Analysis of market potentials in T-Mobile markets (i. e. Austria, Czech Republic, Germany, Poland, The Netherlands, UK)
- Support and preparation of consumer research
- Periodic update and reporting of terminal database

#### Your profile

- One main field of study should be marketing, strategic
